Questions for Reflection and Discussion

1. Try to remember the "formula" Greg used on Sunday to explain Christ's outreach strategy in Matthew 5:13-16 (without turning this page over).

Rewrite this principle in your own words:

2. Read Matthew 5:16. How have you been either attracted to Jesus or repelled from Him by the behavior of Christians you have known?
3. Read Luke 16:9. What are some ways money can be used to soften pre-Christians' hearts (without being manipulative)?
4. Read John 13:35. What are some things you could do to help make White Pine a fellowship characterized by Christlike love? How could you help your unchurched friends see and feel that love?
5. Read John 17:23. When have you experienced the most painful disunity with other Christians? What impact did that disunity have on your church's outreach? When have you experienced genuine unity? How did that unity impact your church's outreach?
6. Spend time praying with your small group for people you love who are not yet Christians.
