“The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field. Go! I am sending you...”

—*Luke 10: 2-3*

Helping people _____

Jesus...

- had a purpose (John 4:4)
- was practical (John 4:7)
- had a plan (John 4:10-15)
- got personal (John 4:16-21)
- had an answer: “I am the One.”

How did the woman respond? She told her story.

Do you have one? Can you describe your personal interaction with Jesus?

Does it make a difference?

...We labor and strive, because we have put our hope in the living God, who is the Savior of all people, and especially of those who believe.

—*1 Timothy 4:10*
