2. What have your attitudes and responses in the storm revealed about your faith in Jesus? What do you think He wants to teach you?
3. Do you think Jesus might be bringing you through this storm in order to use you to help someone else in need? If so, who might it be, and how might you help them?
4. Who has God brought into your life to help you? What sacrifices have they made for you?
5. How has Jesus blessed your life? How has he shown you mercy when you deserved the opposite?
