

Discouraged People, It's Never Too Late

Can people get to the point where it seems hopeless and useless?

- *Have you ever been at a place where there seemed to be no answers?*
- *Have you ever given up on something?*

Have you ever considered spiritual relief or answers?

- *Where do I turn?*
- *Who has the answers?*
- *What do I have to do?*

Have you actually experienced relief or answers?

- *What did it do for you?*
- *What did it do for those around you?*
- *Where are you today?*

Do you believe Jesus can find you?

- *How do you find Him?*
- *Where do you look?*
- *From where does my help come from?*
